INTRODUCING SANDBAGGER TRANSFUSION

Inspired by the original Transfusion Cocktail, this is the first vodka-based drink in the Sandbagger family. The flavoured combination of vodka, concord grape and ginger ale is said to have been the favourite of, and even invented by, a retired Dwight D. Eisenhower, who sipped Transfusions after daily games at the Eldorado Country Club in California and Augusta National Golf Club in Georgia.

- + Transfusion is the top selling golf-themed cocktail in the US
- + This flavour combination is unique to the RTD category in Canada
- + Vodka-based
- + No artificial flavourings, preservatives or colour
