Building a culture of volunteerism is important to us at the NSLC. Our Employee Giving program allows our Team Members paid time to volunteer, and the opportunity to match volunteer hours and fundraising dollars to give back to the organizations(s) of their choice.

Are there available opportunities for NSLC Team Members to volunteer with your organization? Yes No

PROJECT INFORMATION

The information in this section should be specific to the project or initiative that you are requesting funding for.

Our community environments, whether social, physical or economic, have tremendous influence over our capacity for resilience. By investing in fundamentals like **food security, affordable housing, health supports, and the preservation of our environment**, we can support and contribute to the health and wellbeing of our communities.

Name of project or initiative:

Project Start Date (if not yet started, provide anticipated start date):

Anticipated Project End Date:

In what Nova Scotian community (or communities) will your project or initiative take place?

Clearly define how your project will support one or more of our investment focus areas. (300 words maximum)

Dollar amount of funding request:

Describe or list how this funding would be used to support your project. What are the expected outcomes of this project?
(for example: number of meals provided to community members, number of community members accessing services)
(400 words maximum)

Do you have other funders involved in this project? If yes, please list.

If you would like to include additional support materials, please attach. (two pages maximum)
